CERTIFICATE OF CONFORMANCE

PURTEX™ CARTRIDGE FILTER

PURTEX™ depth cartridge filters are made from thermally bonded fibers of polypropylene. GEI W&PT certifies that it uses no resin binders, lubricants, antistatic or release agents, or other additives in the manufacture of these cartridges, and that the resin used for manufacturing the filter media meets the food contact requirements of the U.S. FDA 21 CFR regulations. When required, specify only FDA compliant sealing materials and end adapters.

Our PX filter models are NSF 42 certified for potable water applications.

For further information, contact GEI W&PT Quality Assurance at (800) 848-1750.
